Dear Sorors,

The entire membership of Zeta Phi Beta Sorority convened it's 2010 Boulé in Dallas, Texas on July 23-27, 2010. At the Boulé, the Great Lakes Region gave an awesome presentation inviting the entire membership to join us for the 2012 Grand Boulé-Chicago Style. Chicago is the home of Michael Jordan, Oprah Winfrey, the world famous Buckingham Fountain, the amazing futuristic Millennium Park, and the Sears (Willis) Tower, the largest building in North America! It is the home town of the 44th president Barack Obama and the birth town of his wife, the First Lady Michelle Obama. It is OFFICIAL that the 2012 Boulé will be held here in Chicago, Illinois at the Chicago Hilton Hotel. This is a dream that has come true.

Therefore is in imperative that we begin to plan for this great occasion. We want the 2012 Boulé to be the very best Boulé ever. I am soliciting your support now as we begin to plan to implement our part in making this a successful Boulé, with all the Sisterly Love of the Region.

Again, Illinois will host the 2012 Boulé in Chicago. I am certain that each of you will support all of our efforts to ensure the greatness of this Boulé. T-shirts are still for sell to support the Boulé! More information will be forthcoming!

Thank you in advance for your complete support.

Peace,

Alice Craft
